Role – Intern – Freshers

This is a reference to the opportunity for an internship at your company. I came across this opportunity through social media.

I am currently pursuing my **Master's in Computer Applications (MCA)** at **Christ University, Delhi NCR**. I have previously worked as a **Web Developer Intern at CodSoft**, where I remotely developed three projects, which you can find on my **GitHub**.

Apart from that, I recently created a **Java-based project on Bank Management System**, which functions as an **ATM Machine**. Additionally, during my **Bachelor's**, I developed a **shoe e-commerce website** using **HTML, CSS, and JavaScript for the frontend**, while the **backend was powered by PHP and XAMPP Server**.

I have also earned certifications and attended an **international conference**, where I had the opportunity to learn how to express myself professionally.

Technical Skills:

- **Programming Languages:** Java, Python, C, JavaScript

- **Web Development:** HTML, CSS, JavaScript, React.js, PHP

- **Databases:** MySQL, SQLite

- **Tools & Platforms:** Git, GitHub, XAMPP, Unity (for AR/VR)

Projects:

1. Bank Management System (Java)

- Developed an **ATM Machine simulation** with banking functionalities.

- Implemented **CRUD operations** for account management.

2. Step into Style (Shoe E-Commerce Website)

- Built an interactive shopping platform with **HTML, CSS, JS (Frontend)**.

- Designed a **secure user authentication system** with **PHP & XAMPP (Backend)**.

3. Portfolio Website *(CodSoft Internship Project)*

- Created a **responsive portfolio website** showcasing my skills and projects.

- Deployed live on **GitHub Pages**.

Internships & Contributions:

- **Web Developer Intern** – *CodSoft (Remote)*

- **Project Admin** – *Google Developer Student Clubs*

- **Contributor** – *Google Developer Groups on Campus - IIIT Kalyan*

- **Project Admin** – *Social Winter of Code (SWOC)*

- **Mentor** – *Kharagpur Open Source Society*

Certifications & Achievements:

- **Artificial Intelligence Fundamentals – IBM SkillsBuild**

- **Python Concurrent Programming – Infosys Springboard**

- **ReactJS Certification – Infosys Springboard**

- **International Conference Participant** (Presented insights on tech advancements)

I am eager to contribute my skills and learn from industry professionals through this internship opportunity. Looking forward to connecting with you!
